

ACE Controls, Inc

shock absorbers
gas springs
vibration technology

Aignep

universal thread fittings,
valves, cylinders,
and pneumatic components

Air-Mite

valves
cylinders
switches

Asco Valves

fluid automation
solenoid valves

Cejn

high performance couplings
coupling systems

CKD

pneumatic, fluid control, fine
system, and labor-saving
components

Coilhose Pneumatics

full line of
pneumatic accessories

Control Air, Inc

pneumatic controls
electro-pneumatic controls

Crouzet

custom sensors
and technology

Duramaster Cylinders

leaders in pneumatic
and hydraulic cylinders

Duravalue, Inc

manual and automated
ball and butterfly valves

EDCO USA

high-quality, cost-effective
vacuum automation
products

EFDYN

industrial motion
management

E-Skim

oil skimming solution

Fabco-Air

cylinders, valves, filters,
regulators, and lubricators

FlairLine Fluid/Air

NFPA cylinders
power slides
round body

Faztek

t-slot aluminum extrusions
t-slot components

Freelin Wade

tubing, flexible hoses,
quick connect fittings,
and blow-off guns

Goodyear

insta-graiph hoses

Greenco Cylinders

pneumatic cylinders
cable cylinders

Hanna Cylinders

hydraulic / pneumatic
cylinders and valves

Humphrey

pneumatic valves
and actuators

McDaniel Controls

high-quality gauges

Monnier

air preparation specialists

Ortman Fluid Power

hydraulic cylinders
air cylinders

Pinnacle Systems

safety systems and controls
for industrial machine
guarding systems

Pneumadyne

miniature pneumatic
products

Polyconn

fluid power products

Robot-Tool, Inc

robotic end of arm
tooling

RLA

linear actuation products

Ross Controls

pneumatic valves and
control systems

Springville Cylinders

quality air cylinders
and components

STC Valves

pneumatic valves, cylinders,
regulators, and components

TSII

industrial din
connectors & switches

Vessel Tools

high-quality ergonomic tools
nippers & blades

Watts Fluid Air

filters, regulators,
and lubricators

WC Brandham

rodless cylinders and
power transmission
manufacturing
